## What personal data might we collect about you?

We do our best to keep the personal data we collect about you to the minimum necessary needed to fulfil the purpose of collection or processing.

The personal data we collect depends upon how you are interacting with us. **Details about you:** Your first and last name, marital status, title, gender, e-mail address, telephone number, postal address, date of birth, loyalty membership details, your reasons for travel, emergency contact details, clothing size (for merchandise) and qualifications (e.g. if you book a cruising/sailing holiday).

**Payment details:** Your bank details and payment card details when making a booking with us. Details about payments to and from you and other details of products and services you have purchased from us.

**Details about your booking with us:** Details such as where you are flying from and to, your booking information (including anyone else on the booking), any onward travel details if relevant, details of experiences or excursions booked through us, baggage requirements, upgrade information, lounge visits, seat preferences, meal or dietary preferences or requirements, details of any special assistance required and any other relevant information so that we can provide you with the entirety of the services you have arranged with us.

**Details from your interactions with us:** Information about interactions or conversations with us and our staff, including when you make enquiries, comments, complaints or submit feedback to us. This could also include username and password and your interests, marketing preferences, reviews and survey responses.

**Your use of our systems and services:** This includes how you use our site, app, physical locations (such as bases, vessels or retail stores), call centres, social media pages, IP addresses, information from cookies and other electronic tracking technologies and information you may post on social media.

**Job applications:** If you apply for a job with us, your CV, work history, educational details and the role you are applying for.

**Special types of data:** In some circumstances, we may need to collect personal data from you that is deemed sensitive. For example, we might collect:

- **Data about your health.** Knowing your dietary requirements, medical history and any medical conditions you have will ensure that the trip is suitable for you, that any necessary adjustments are made, and that we can provide you with appropriate or emergency medical care in the event of an incident, if necessary.
- **Information about your personal beliefs.** For example if you specify a meal preference that indicates a particular religion, such as a kosher or halal meal.

We try to limit any sensitive personal data we collect to the minimum possible. Where we are required to do so by applicable law, we will ask for your explicit consent to collect it.

## Children's personal data

We do not knowingly collect or solicit any personal data directly from children under the age of 16.
